Hello Everyone,

While Rob is away on a 'working' holiday, he calls it 'research', I am overhauling the site and changing a couple of things around to make our job, and those searching our site, a little easier. During the next week or so some of the links may not be working but it is only temporary.

In the meantime the LINK to the MEMBERS page has changed, it is now: -

<http://www.australiamyland.com.au/members.html>

Remember -

AML Club Membership is NOW open

Get your friends and associates to join the exclusive **AML Club Membership** for them to receive special access to the **Members Forum** and **Resources Library** where everyone will find something of interest and assistance.

The Forum and Resources Library are now operational.

Go there and leave us a message. **We are DEFINITELY allowing advertising on the Forum**, BUT, please be mindful that it IS a forum and keep any transcripts short and to the point. The BEST option is a simple one or two sentence blurb telling the members of any special offers you have, and for how long. **Make sure there is an email address** – you can also have a link in your profile – but give them plenty of opportunity to FIND YOU for more info.

All sponsors and advertisers that are on the site now are automatic members to AML so if you are receiving this newsletter you are a member and will be receiving a password and membership number in the very near future if you have not already.

Invite prospective members to go to the following link:

I would like to take this opportunity to welcome Val Bond to our team as Advertising Supervisor, along with Dave Hayden and Dale MacKay as consultants. Val will be looking after the Gold Coast and co-ordinating the efforts of the Sales team while Dave looks after the Sunshine Coast and Dale, Rockhampton and northern Queensland.

All the best

Regards
